Legal pad - yellow

A4 yellow legal pads, designed primarily for students and business people who use pad and pen several hours a day. Yellow legal pads are a particularly good alternative to white standard pads as yellow reduces reflections and contrasts that cause eye strain. Margin is red. The paper is made from 70 g recycled material. Colour may vary between batches. The pads are top glued. 4 hole punched for easy archiving. 100 sheets per pad. Packed 5 pads per pack.

Order code 100051856

Phone pads

Phonepads are all top-bound with blue cloth-backed tape. They contain 100 sheets of 60 g micro-perforated paper, which ensures a near-perfect clean-cut edge. All pads comes with a nice protective cover speaker-sheet with easy understanding icons to illustrate the specifications of the pads. Phone pads bear the Nordic Swan and EU Ecolabel, except A7 format that only bears the Nordic Swan Ecolabel.
